**BACK**  
*(Where have we been?)*

**TO THE**

**FUTURE**  
*(Where are we going?)*

and

*(What do we have to do  
to get there?)*

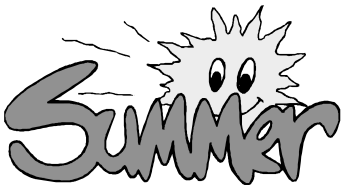

Have you registered  
yet? We're hoping  
you'll be able to  
come!!

We have enclosed an extra coupon for you to register for our upcoming conference. The coupon will cover registration and lunch is provided.

Derrick Dufresne is one of the most dynamic speakers we have ever heard. We attended a conference in North Carolina last year and heard Derrick speak. We decided that we needed to bring Derrick to Kansas so you could all hear what he has to say.

Derrick will make you think about what's going on now with your family member with a disability. He will also give you ideas to consider. And, we feel you will leave knowing that together we can make things better.

It is our sincere hope that you will make it a point to be in Topeka on April 2 for an event you will not soon forget!

### ***DON'T FORGET YOUR SUMMER PLAN OF CARE***

Often it is necessary to change a Plan of Care for the summer months to facilitate Supportive Home Care needs for when school is out. But.... REMEMBER..... school is out in May and resumes in August. So, don't have a POC with summer hours in June, July & August. If school is out in May, the POC needs to reflect the need for increased in-home supports for that month. A little planning can save a lot of headaches!!

*And....if you need help finding a summer personal care attendant, give Jon a call at the Life Patterns office! Or, if you know who you plan to hire, call Jon and he'll send you a new employee packet.*
